

Polo Sponsorship & Hospitality Exclusive VIP Enclosure

Cambridge County Polo Club

Cambridge County Polo Club Sponsorship & Hospitality

The Game of Polo

Polo is known as the "Sport of Kings" and carries a kudos of no other sport. Polo is experiencing massive growth and is associated with prestige, style and glamour, making it the ideal vehicle for brand promotion Polo attracts some of the most highly educated and affluent people of any sport. In a country where equestrian sports dominate, Polo is not only growing in popularity but is attracting major high profile sponsors from across all sectors. Polo is an addictive sport like no other, an intoxicating combination of skill, grace and raw equine power, and has to be experienced to understand the full exhilarating beauty of the game.

Club Overview

The tournament grounds at the Cambridge County Polo Club are exceptional, and recently prompted HRH Prince William to say "I'd rather play here than Guards any day of the week", after playing in a charity match at the club.

The Club is based in an idyllic rural setting near Lode, between Cambridge and Newmarket, set in 220 acres of farmland. There are two immaculate full size tournament pitches laid on peat to protect the ponies legs. The Punt Room is a unique oak framed Club house overlooking well kept lawns bordered by stables, ideal for meetings and entertaining.

Set up in 2010 by Ed Wright, a farmer and former polo player, this friendly club opened it's doors to the public for the 2018 season, holding well attended Polo & Picnic days. It hosted a recent Chamber of Commerce network event and in July held a very successful Business Open Day, with local businesses and existing sponsors coming to network whilst enjoying a day of polo.

The club is now seeking sponsorship to enable it to grow and improve facilities, as well as offering the opportunity for companies to become involved with this prestigious sport. Cambridge County Polo Club is now inviting interested parties to discuss a variety of corporate hospitality packages and sponsorship opportunities for the 2019 season.

Cambridge County Polo Club Business Open Day

This popular business event is the day we invite the business community to join us for a free day of polo. Businesses have their own areas where they can set up a gazebo or marquee and invite guests to entertain, or informally network with other guests and businesses. It can be a formal setting with tables and linen, or a relaxed area with straw bales and picnics. This year one of our sponsors Bentley cars brought along their latest luxury models to display

Typical Polo Tournament Day

Tournaments are usually played over two weekend days, Saturday and Sunday. The gates open at 10.30am and the first match start at 11am. Each game is made up of four Chukkas each lasting 7 minutes. After each Chukka there is a short break for the players to change ponies. A polo match will last around 1 hour 15 minutes. Depending on the tournament there will be four matches per day with the days polo finishing around 4.30pm. Attendance times are relaxed with guests able to arrive and leave at their discretion. Our open topped "Chukka Bus" is the main focal point on tournament days, it is the game scoreboard, a fun upper deck viewing platform for guests, and the commentary box. On the last day of each tournament there will be a prize giving ceremony for the winning teams and player of the day. There are various events of interest during the year such as the Rolls Royce owners club's annual meet. Player and pony safety are paramount during polo tournaments, and on very rare occasions polo tournament days may have to be cancelled if the ground is deemed unsafe for play.

Tournament Day Catering

Catering on the day is very flexible, you can either use the catering options offered by the club, or engage your own caterers for the event, or bring your own food and drink. The Polo club offers a selection of catering option for the day from picnics, buffet lunches and grazing tables to a waitress served formal lunch. There will also be food and drink available to buy on the day from our good quality local food and drink vendors, as well as the popular Prosecco bar available on our double decker Chukka bus.
